

# HANATO

## Continuous Band Sealer

MODEL EX-720-H HANATO CONTINUOUS BAND SEALER (VERTICAL)

These units are ideal for efficient heat sealing of light to medium weight plastic bags. Reliable and affordable solutions to sealing plastic bags filled with salt, rice, beans, seed and any other granular material – fast and continuously. These units are height adjustable for different bag sizes, have variable speed control, a bag counter and a hot foil printer for batch / date coding as optional features.
