

Electronic Balance XY-10002C

1. High precision strain gauge sensor system
2. Round stainless steel weighing platform
3. Units: g / oz / ct
4. Auto zero setting and Tare
5. Counter Function
6. Outside calibration
7. Net weight and Stability indication
8. Bubble level and adjustable feet

Capacity	1100g
Division	0.01g
Power	5V DC with supplied AC adapter
Display	7 digit backlit LCD
Pan Size	130 mm diameter
Repeatability	0.01g
Linearity	±0.01g
Sensitivity Drift	±0.01g
